

GAP: Reaching the Nations

Kristian Lythe

And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come. Matthew 24:14

What is GAP?

Gap stands for *Gospel to All Peoples* and is the overseas missions arm of Kensington Temple that fulfils the 'world' part of our mission statement, *London and the World for Christ*. A key part of our vision is to reach the 10/40 window, the area in the world where the least evangelised people groups reside, some who have never heard the name of Jesus.

A Vision of Evangelism

Colin had a vision of North Africa in which he saw from West Sahara to East Africa being filled with the glory of God. As he had this vision, travelling in a Landrover, miracles of healing were taking place outside. In the next 25 years, we want to reach such nations as Mali, Niger, Mauritania, Chad, Sudan and Tunisia until the whole of this area hears the gospel.

We sent a team to Mali earlier this year and in a crusade in Bamako about 1,000 people responded to the message of Jesus Christ per night. A man who had been blind for 10 years had his eyes opened, a woman testified that a tumour had gone from her stomach and a little girl testified to a goitre coming out of her neck. Many others testified to God's power healing them. A small boy came forward who had been deaf and mute, that same night Jesus opened his ears and loosed his tongue. On the third night about 1,000 people came forward to receive Jesus as their Lord and Saviour. Praise God for his awesome power. Teams were also sent to surrounding villages where whole villages turned to Christ.

Reaching the Francophone Nations

In response to a word from the Lord about revival among the French-speaking peoples of the world, Colin launched IFIM, the Bible school in Marseille through which we aim to send out train missionaries to impact North Africa. Already through this work we have translated Colin's *Sword of the Spirit* books making this amazing training available to the French speaking world.

A Global Strategy

As part of our global vision Colin has also pioneered work in Brazil where we have planted churches in Sao Paulo, Rio de Janeiro and Recife. We have also had recent missions to Zimbabwe and Mauritius where we are setting up schools, helping pastors and other ministries.

Standing with GAP

We are looking to expand GAP and increase its reach and impact on other nations of the world this coming year and beyond. We would like to see as many people as possible involved - there are several ways you can of participle in this vision:

1. Become a GAP prayer warrior
2. Go on one of these missions yourself
3. Partner with GAP financially.

All of these will help fulfil the great commission to preach the Gospel to All Peoples. If you would like to make a difference in the lives of multitudes of people from different nations you can start by giving into our GAP Missions fund. Please fill out the standing order form and or use the credit/debit card information to give online.

Let's see London and the World won for Jesus Christ!
