Welcome to our SPRING Prayer Diary 2015

Going deeper in prayer

The challenge with any prayer diary is that we end up with prayer points and lists that might be prayed mechanically and not from out of the heart. The danger of not having a prayer diary is that there is no daily united and concentrated prayer across the network. We must avoid both pitfalls. In this edition we are focusing on the model prayer that Jesus taught his disciples: The Lord's Prayer. This model allows us to go deeper in our relationship with God each time we come to him in intercession.

This year we are marking the Centenary celebrations of the Elim Pentecostal Churches. As well as being Senior Minister of KT, I am also part of the National Leadership Team of the Elim Movement. The founder of Elim was George Jeffreys who also personally established Kensington Temple in 1931. Our Elim national prayer initiative *Lift Up 100* have provided us with powerful prayer material for this coming spring.

BIBLE *Reading Plan*

It is also absolutely imperative that we are in the Word and the Spirit on a daily basis and this Prayer Diary has a daily Bible reading plan that will take us right through June.

This prayer diary is to fuel concentrated prayer at four levels of our church:

I Personal daily prayer and Bible reading

Every day we will be reading through the Bible together and praying for a particular aspect of our life and ministry.

II Cell ministry

Cell leaders will encourage and monitor the use of this Prayer Diary in the life of the cell members and also use it for prayer in their cell meetings.

III Early morning prayer meetings

Early morning prayer meetings are to be held at Kensington Temple from 6.30am-8.30am every Monday, Wednesday and Friday. Leaders from our LCC network will be hosting these meetings and using the Spring Prayer Diary to concentrate our prayers.

IV Wednesday evening prayer meetings & monthly half -night of prayer

The Prayer Diary will be used as fuel for our regular Wednesday prayer meeting along with the Wednesday monthly half night of prayer.

The pages before the Prayer Diary and Bible Reading plan will highlight some specific areas that I believe we need concentrated prayer for the coming Spring season.

Let us raise the levels of devotion, prayer and study of God's Word. This is the foundation upon which all God's plans for us depend.

Colin.

SPRING PRAYER FUEL

Jesus' Model Prayer

Jesus' model prayer in Matthew 6:9–13 & Luke 11:2–4 is the most well-known and frequently used prayer in the world. However, most people miss the point of this prayer, for Jesus is giving a framework for all praying rather than a set prayer to be prayed over and over again.

Matthew 6:5–9 sets the scene for the model prayer. He does not want us to pray in the hypocritical manner he describes in verses 5–7. He does not want us to pray just to make an impression on others. He does not want us to pray publicly at enormous length. He also explains that we are approaching God who already knows all our needs and who, therefore, does not need to be educated about our circumstances. Instead, Jesus tell us to pray 'in this manner'.

The Lord's Prayer is his example prayer. He gives us a 'prayer skeleton' to flesh out. As we pray, we fill in the few specific details which are relevant to our situation.

Our Father

The prayer is both personal and corporate. This is clearly a personal prayer which can be used privately – and yet it uses 'we' and 'our' throughout. It is another reminder of the Jewish principle that we should unite ourselves with each other whenever we pray. This phrase suggests that, when we pray, we should remind ourselves both about the relationship we have with God through faith in Christ and the fellowship we share with others.

In prayer, we should tell God what his fatherhood means to us, and thank him for it.

In heaven

Our prayers should be governed by the realisation that God is on the throne and in total control. We can ask him to help us to become more aware of his greatness and presence.

Hallowed be your name

This phrase reminds us to pray as Jesus does in John 17 – to ask for God's glory and the holiness of his name to be recognised and experienced in specific ways. God is a good Father who delights to give us good things and he reveals different aspects of his nature through his varied names.

When we pray, it is helpful to address God by whichever of his names is most appropriate to our prayer – for example, Healer, Provider, Deliverer, Guide, Creator, Saviour, Shepherd and so on.

Your kingdom come

This helps us to remember to pray that God will establish his rule by extending his influence as people bow their knees to Jesus Christ, and as we submit increasingly to Christ's reign.

Asking for his kingdom to come means asking God to rule – to have his way – in the situations and lives for which we are praying.

Your will be done on earth as it is in heaven

The coming of God's kingdom means that the conditions of heaven are revealed on earth. Of course, this will not take place fully until the kingdom comes in its final manifestation, but in the meantime we should pray for God's revealed will to be done in those specific situations on earth that concern us.

We can thank him that he wants his will to be done on earth, and we can have faith that this will happen as we pray.

Give us this day our daily bread

This shows us that we should pray for the physical needs of daily life. It is God's intention that all his children should receive what they need, but we must take whatever action is necessary to provide for ourselves.

Like the man in the parable, we pray for needs which we ourselves are helpless to meet. We will experience the truth of God's provision only through a combination of prayer and action.

And forgive us our debts

We need to pray for spiritual forgiveness from our heavenly Father and for financial forgiveness from merciless or unjust human creditors. As redeemed believers we already have judicial forgiveness, but we need daily cleansing to maintain our personal communion with God.

As with daily bread, forgiveness from debts is attained by a mixture of prayer and action. We should pray only for those needs which we cannot meet ourselves, or that God will enable us to meet the needs through the resources he has given us.

There is something rather wrong about asking God to meet needs when he has already answered the prayer by providing us with the resources which could meet the need and we have not taken action. Of course, if we have done what we can with what God has provided we can ask him to do even more.

As we forgive our debtors

Jesus makes it plain that our heavenly Father will withhold forgiveness from those who refuse to forgive others. This is emphasised in Matthew 6:14–15. Obviously he does not mean that we will be brought under God's judgement or condemnation. Rather he speaks of God's parental forgiveness being withheld until we learn to forgive others. He is speaking to us as sons and daughters who may displease our Father from time to time but, as our heavenly Father, he will discipline us in love.

Forgiving others is not always easy to do – we need God's help to do it. But it must be done or we ourselves will not receive God's daily mercy.

And do not lead us into temptation

This phrase shows that we should ask God to keep us from falling into sin and to help us overcome the trials of our lives.

But deliver us from the evil one

When most people recite the Lord's Prayer, they use a translation called 'The Great Bible' which is even older than the Authorised Version. It unhelpfully refers to 'evil' rather than 'the evil one'. We are all involved in a spiritual struggle, and we all need to pray that God will rescue us from the attacks of the enemy.

For yours is the kingdom, the power and the glory for ever. Amen.

Jesus' model prayer ends in a phrase taken from 1 Chronicles 29:11–12 which is packed with praise and triumph. So we can end our praying by thanking God for his power – and for his victory in the specific situations we have prayed about.

Pray from the heart each day THE LORD'S PRAYER:

**Our Father, which art in heaven,
Hallowed be thy Name.
Thy Kingdom come.
Thy will be done in earth,
As it is in heaven.
Give us this day our daily bread.
And forgive us our trespasses,
As we forgive them that trespass against us.
And lead us not into temptation,
But deliver us from evil.
For thine is the kingdom,
The power, and the glory,
For ever and ever.
Amen.**

Elim Centenary Prayer Themes: Congregations

The Elim Pentecostal Church is a growing Movement of more than 550 Christian congregations in the UK and Ireland. During this centenary year there will be an explosion of growth as we seek God together to see the vision of The Big Centenary Ask (call for church planting) worked out across the nation through our local congregations. As you worship and serve as part of this movement in your local church, it is vital that we pray for our own church and other congregations that make up the Elim family. Church is a picture of God's people working together with the help of God to fulfil His mission.

Then Jesus came to them and said, "All authority in heaven and on earth has been given to me. Therefore go and make disciples of all nations, baptising them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age." Matthew 28:18-20

My prayer is not for them alone. I pray also for those who will believe in me through their message, that all of them may be one, Father, just as you are in me and I am in you. May they also be in us so that the world may believe that you have sent me. I have given them the glory that you gave me, that they may be one as we are one: I in them and you in me. May they be brought to complete unity to let the world know that you sent me and have loved them even as you have loved me." John 17:20-24

PRAYER FUEL

- Pray for the different ministries and departments within your local church. Pray for all of the cell leaders and their families.
- Pray for an explosion of new congregations and cell groups across the nation and especially in London.
- Pray for revelation of God's plan to expand the kingdom through each congregation.
- Pray for a united working of Elim churches, departments and leaders to see sustainable churches and fresh expressions of Church established Kensington Temple London City Church.
- Pray for enthusiasm and energy to be imparted as the vision unfolds in each area of the Movement.
- Pray for a fresh outpouring of signs and wonders practiced by every member of Elim in every community.
- Pray that God will raise up new leaders in all areas of ministry within the Movement and especially in KTLCC.

Elim Centenary Prayer Themes: Kingdom of God

The Elim Pentecostal Church was birthed in the fires of evangelistic zeal. The salvation of the lost was and continues to be the main reason for our existence. In our centenary year by the grace of God we will see a continuation of that pioneering spirit.

With the continuing growth of the movement we have also seen a widening and deepening of the Church's concern to express the 'kingdom of God' in a multitude of ways. From involvement in social action to influence in the corridors of Government our aim is always to make known the love of God and bring people into a saving knowledge of Christ. Please pray that as a movement we may be salt and light to our society as well as a clear voice to this generation.

"You are the salt of the earth; but if the salt loses its flavour, how shall it be seasoned? It is then good for nothing but to be thrown out and trampled underfoot by men. "You are the light of the world. A city that is set on a hill cannot be hidden. Matthew 5:13-15

"The Spirit of the Lord is upon Me, Because He has anointed Me To preach the gospel to the poor; He has sent Me to heal the broken hearted, To proclaim liberty to the captives And recovery of sight to the blind, To set at liberty those who are oppressed; To proclaim the acceptable year of the Lord." Luke 4:18-19

"Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things that I have commanded you; and lo, I am with you always, even to the end of the age" Matthew 28:19-20.

PRAYER FUEL

- Pray that churches will continue to keep the declaration of the Gospel central in everything.
- Pray for the many new Churches and expressions of Church that will commence in 2015.
- Pray for the Evangelists in our nation that their gifting will flourish.
- Pray for the many social action projects such as food banks that express God's love to the community.
- Pray for Christians in government and those who influence the decision makers.
- Pray for the Revival that our nation so desperately needs.

Elim Centenary Prayer Themes: Holy Spirit Breakout

During this year of Centenary Celebration we want to see God move mightily by the power of the Holy Spirit in both 2015 and beyond. There have been many sovereign moves of the Holy Spirit over the last 100 years, one of which was the apostolic birthing of Elim through the ministry of George Jeffreys. It is great to remember what God has done, but God has no Grandsons, only sons! So it is imperative that we look forwards in faith, not just backwards in remembrance.

The Holy Spirit has inspired mighty outpourings, the most recent of which was in Wales (birthplace of the Welsh Revival in on 1904 at the turn of the 20th Century). Then of course the Azusa Street revival began in 1906. For us in Elim the key foundational building blocks began around 1911 when George Jeffreys was baptised in the Holy Spirit and began to preach and plant churches, thus began the birth of a Pentecostal movement in the power of the Holy Spirit with countless apostolic 'plantings' of churches, the majority of which are still functioning and thriving today.

As we look to the here and now, and ahead beyond 2015, what sort of influence will Elim churches have and what can we expect to see as a 'move of God'? This largely depends upon our hearts and how we are growing and functioning as disciples and as the corporate people of God. Foundations have been laid, but what is built on the foundations needs God's guidance and inspiration, through His people. This is not to be by our human strength, but be of the Holy Spirit.

When we look through the history of revivals, they have all begun with certain factors in operation:

- a) Desperation for God to move because of the state of both the church and the nation
- b) A call to intercession and prayer with fervour, passion and sacrifice
- c) A need for unity and oneness within the body of Christ as a whole, across streams
- d) A spirit of repentance pervaded the hearts of people
- e) A cry from the heart for God to break through and break out
- f) A challenging national environment where much of the society was in deep confusion
- g) A rise of ordinary people with hearts on fire and a burning desire for Gods answers to be revealed.

We are in that time again, and with a full year of prayer (with fasting and intercession and creativity) flowing into 2015 and beyond, we have an atmosphere and a fervour to see God do something really special once again with Elim churches being in the vanguard of spiritual breakthrough in the land (www.elim100.org).

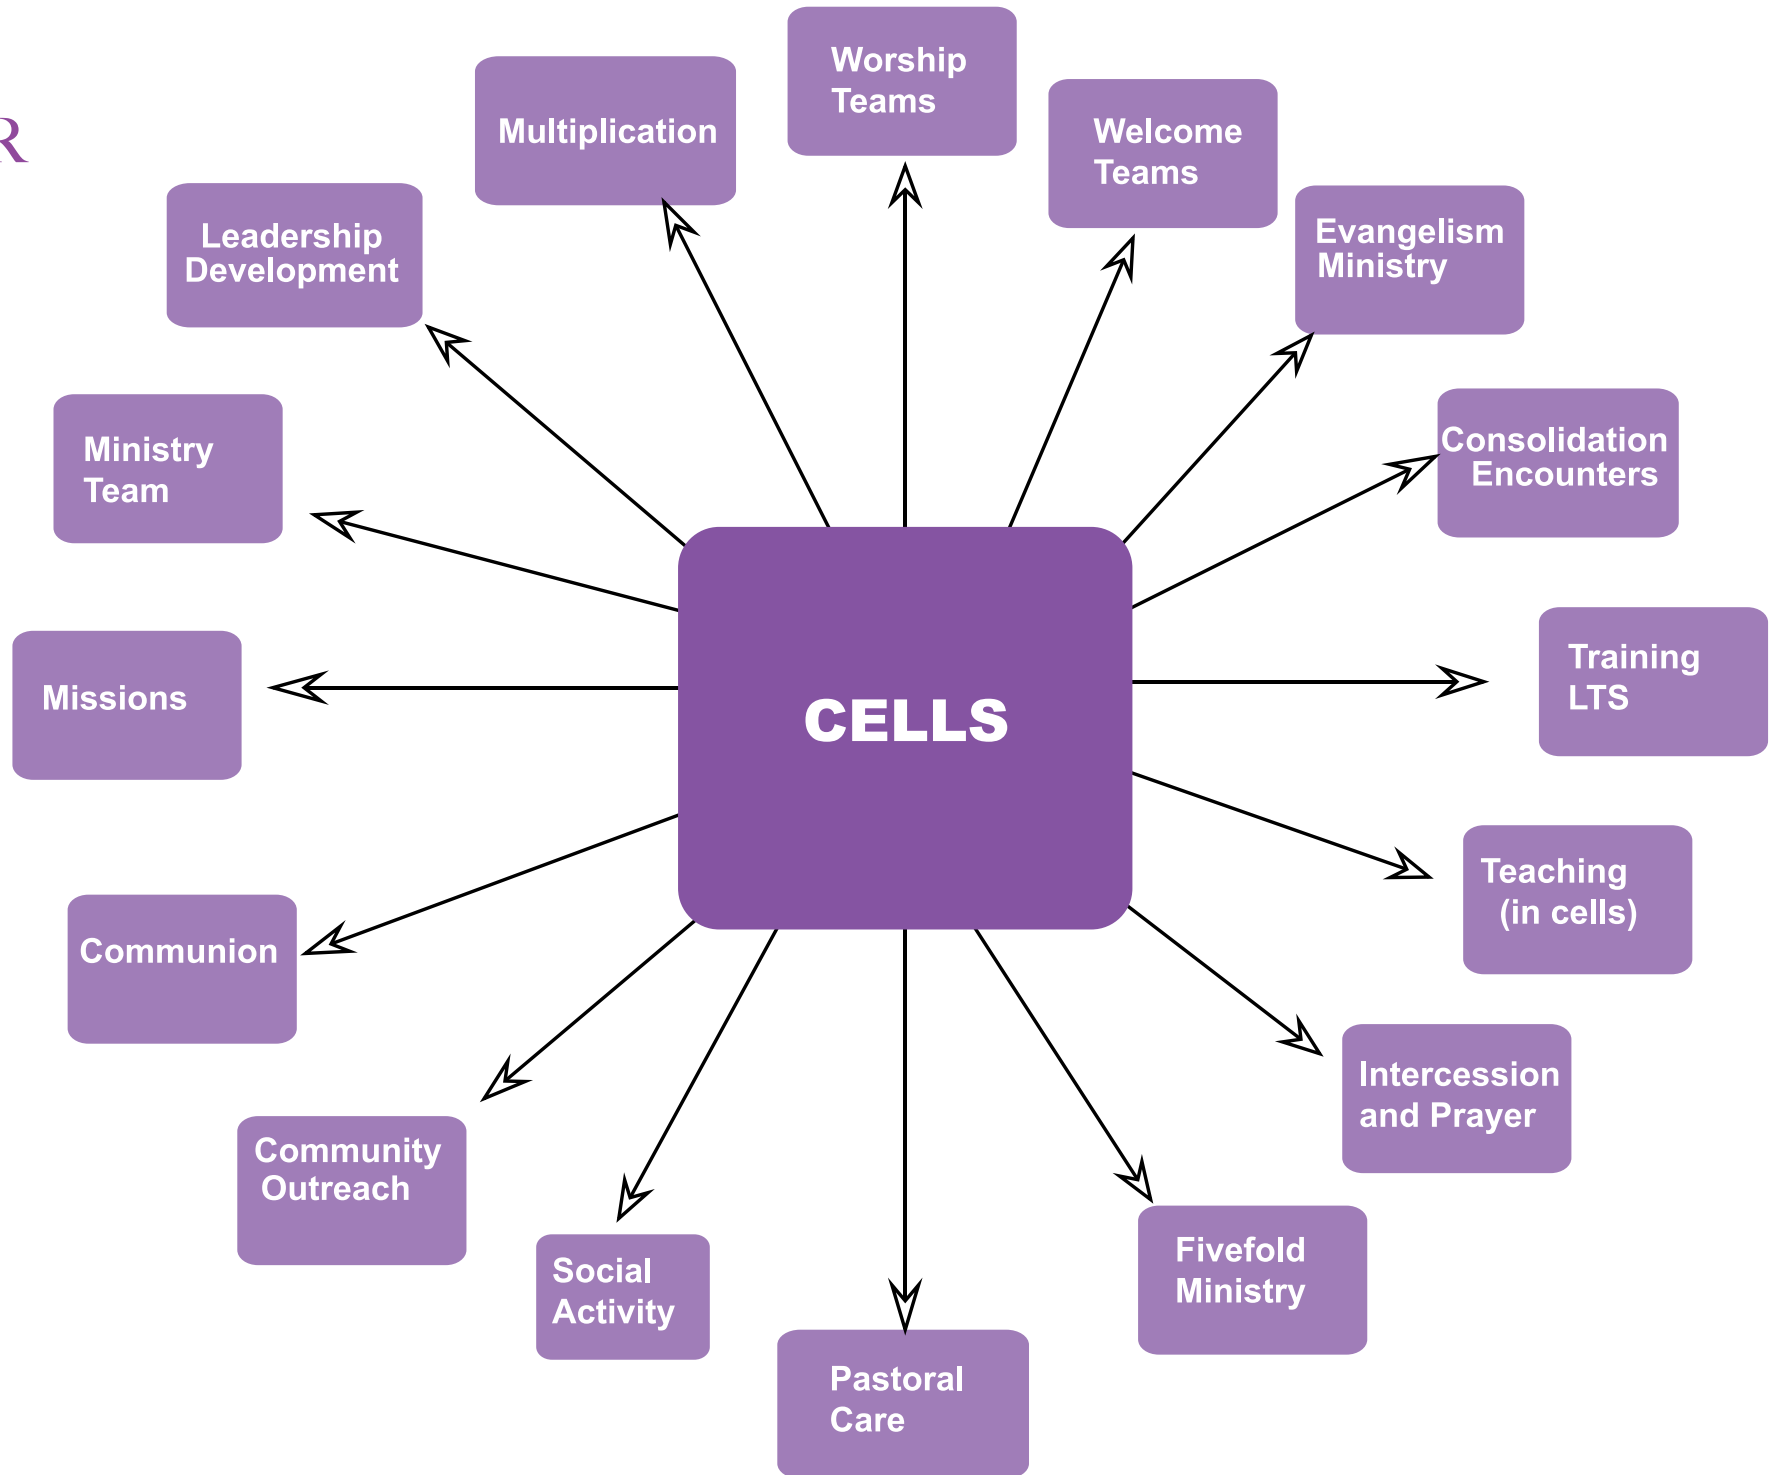

Search me, O God, and know my heart; Try me, and know my anxieties; And see if there is any wicked way in me, And lead me in the way everlasting. Psalm 139:23-24

If My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land. 2 Chronicles 7:14

Suddenly there was a noise from the sky which sounded like a strong wind blowing, and it filled the whole house where they were sitting. Then they saw what looked like tongues of fire which spread out and touched each person there. They were all filled with the Holy Spirit and began to talk in other languages, as the Spirit enabled them to speak. Acts 2: 2-4

PRAYER FUEL

- There needs to be a cry from the heart, so a fresh personal as well as corporate yearning for more of God. This requires preparation of the heart and a recognition that we cannot see God move in power if we use our own power! There is a need for dependency on God. A need to search our hearts to ensure God takes 1st place.
- Pray for a fresh move of the Spirit in your own life, through the church and in the community you are a part of.
- Pray for unity across the body of Christ.
- Pray for God to awaken a desire for the Spirit in an increased and fresh way across the Elim movement.

Tackling the Giants of Society

Jesus told his church to be salt and light in the world. That is, to penetrate society with the healthy influence of our salt-like presence, and to illuminate society's thinking with the light of gospel values. The cell groups are part of the 'go and show' thrust of the church. Traditional church has a 'come and hear' emphasis and largely holds its activities within the sanctity of its buildings. Cells have the capacity to penetrate every part of society and to exercise influence for Christ in the heart of the *agora*, or market place, of today

We equip our members to 'take the giants' for God. The giants of our society are the great institutions and professions which exercise the most influence over our lives. We hold regular giants forums in which cell members from each of the major professional or occupational groupings can get together to encourage one another and to find ways of influencing their environment. That way we are facilitating cells in every major profession and section in society. We group the giants in the following way:

1. Business and Finance
2. Ecology and Environment
3. Education and Training
4. Law and Order
5. Marriage and Family
6. Media and Arts
7. Medicine and Health
8. Politics and Government
9. Religion and Belief
10. Science and Technology
11. Sport and Leisure
12. Thought and Philosophy.

Our monthly prayer diary will cover these giants of influence, but we must also identify which of these we are called to and have an interest in and take prayerful action. Watch out for opportunities in our forums to get involved! Also these giants are appearing in the news every day identify them and seek to pray the will of God into whatever situation is being broadcast.

KT Prophetic Prayer Lines!

'The glory of this latter house shall be greater than of the former, says the LORD of hosts: and in this place will I give peace, says the LORD of hosts.' Haggai 2:9

'For Kensington Temple to reach its destiny with God it must become the greatest disciple making church in London' Canon James Wong.

"I saw people coming through the doors of KT and written on their foreheads was 'HEARERS OF THE WORD'; then I saw the same people leaving the church through the identical doors but now written on their foreheads was 'DOERS OF THE WORD'! A KT Elder in the 1980's.

You have just read three foundational prophecies and promises regarding our ministry here at Kensington Temple. The Bible teaches to take the prophetic promises/prophecies of God and wage warfare with them by prayer and action. This Autumn-Winter we are to talk the above words and prayer them through like never before. The Apostolic pattern for our present and future is found in our Senior Ministers book 'People with a Passion'. This book shows us the type of passionate people God has planned for us to become at KT so that we can handle the glory that Glory of God that he so desperately wants us to carry in this city. The book also shows us how to be doers of the Word – Making, Mobilising and Maturing disciples in this great city of London.

PRAYER FUEL

- Pray for Colin and Amanda Dye for the blessing and wisdom of God to lead us forward.
- Pray for the Associate Minister Bruce Atkinson and all our cell leaders in KT and our London City Churches; that God would protect, bless and make them fruitful as they humbly serve the Lord and one another in our great work of making disciples. Pray for supernatural unity.

- Pray for a fresh visitation of the Holy Spirit upon us all.

Kensington Temple Daily Prayer and Bible Reading Diary

And they continued steadfastly in the apostles' doctrine and fellowship, and in breaking of bread, and in prayers. Acts 2: 42

A people with a Passion can only sustain the fire of the Holy Spirit through the fuel of God's word, prayer and fellowship.

Daily Bible reading

But he answered and said, "It is written, Man shall not live by bread alone, but by every word that is proceeding out of the mouth of God." Matthew 4:4

If you don't eat good food on a daily basis you will grow weak and ineffective in everything you do. Likewise if you don't feed on God's Word daily you will be spiritually weak and unable to cope not only with the call to be a disciple but even with normal everyday daily challenges. We have put a daily Bible reading plan in this booklet that will take you through the Bible in a year. It is one of the most popular Bible reading plans of all time devised by the great revivalist Robert Murray M'Cheyne. You can also download free daily Bible reading apps from YouVersion.com and Biblegateway.com

Start on whatever day you first receive this booklet so that we can all read the same word together each day. If for some reason you miss a day or a few days just re-join the plan again according to the actual date, don't try to catch up what you have missed and don't give up - be steadfast. This is about regular bible reading. Expect God to speak to you during your reading. Use book marks in your Bible/Bible apps for ease of daily reference.

Encourage one another in this in your cells each week.

CONSISTENT, CONCENTRATED, EFFECTIVE PRAYER!

You will notice how daily prayer sets your mind for victory each day and causes your praying to be mixed with faith and expectation. The prayer diary is meant to be repeated each month right through to June 2015.
