Autumn/Winter Cell Group

PRAYER DIARY &  
BIBLE READING PLAN

***"And they continued steadfastly in the apostles' teaching and fellowship, and in breaking of bread, and in prayers."  
Acts 2:42***

## WELCOME TO OUR AUTUMN/WINTER PRAYER DIARY

I believe that the Holy Spirit is directing us as Kensington Temple London City Church to intensify our united and concentrated prayer ministry.

In July we published the *Vision for Mission* one month prayer diary that people are still using today for strategic mission prayer. The diary was so popular that I felt we should publish this Autumn/Winter prayer diary that will take us right through to the end of February 2014

## HOW TO USE THIS PRAYER AND DAILY BIBLE READING DIARY

It is absolutely imperative that we immerse ourselves daily in the Word of God and the Holy Spirit. This prayer diary has a daily Bible reading plan that will take us right through February 2014. This prayer diary is to fuel concentrated prayer at four levels of our church:

### 1. *Personal daily prayer and Bible reading*

Every day we will be reading through the Bible together and praying for a particular aspect of our life and ministry.

### 2. *Cell ministry*

Cell leaders will encourage and monitor the use of this prayer diary in the life of the cell members and also use it for prayer in their cell meetings.

### 3. *Early morning prayer meetings*

Early morning prayer meetings will be held at Kensington Temple from 6.30am to 8.30am every Monday, Wednesday and Friday. Leaders from across the KTLCC network will host these meetings and use the Autumn/Winter Prayer diary to concentrate our prayers.

### 4. *Wednesday evening prayer meetings and a monthly half-night of prayer*

The prayer diary will be used as fuel for our regular Wednesday prayer meeting along with the monthly Wednesday half-night of prayer.

The pages before the prayer diary and Bible reading plan will highlight some specific areas that I believe need concentrated prayer during the coming autumn and winter.

*Let us raise our levels of devotion, prayer and study of God's Word! This is the foundation upon which all God's plans for us depend!*

*Colin Dye*

## PRAYER FUEL FOR AUTUMN/WINTER: GOD'S WORD IN MY MOUTH MOVES MOUNTAINS!

God's Word is never stale or static. It is always alive and active. It can move mountains! When you first believe God, you begin a living relationship with the Word which then starts to work dynamically within you.

God speaks his Word into your spirit, and this conceives faith. The Spirit then keeps on feeding your faith until the Word is fulfilled and God's answer has come. For your part, you begin by hearing the Word and receiving it, like a seed, deep into your spirit. You must then cling onto the Word by confessing it and acting on it – this develops faith. Finally, when faith has matured, God's promise becomes reality.

### FAITH'S CONFESSION

Every word from God which you truly receive in your spirit soon begins to reveal itself in your thoughts, your deeds and your words. The link between what you believe in your spirit and what you say with your mouth is called 'confession'.

In the New Testament, the Greek word for 'confession' means 'saying the same as'. Your thoughts, words and actions 'confess' the Word by thinking, saying and doing the same as the Word. When we examine the faith process more closely, we can see that there is actually a double agreement in biblical confession.

Confession is not just saying that you agree with God's Word. It's also agreeing with what you say in the deepest part of your being. This means that it is one thing to speak God's Word with your mouth, but quite another to make a biblical confession.

The second degree of agreement means that your mouth must agree with your spirit. There is no true confession without this corresponding inner conviction.

In a true faith confession, your mouth must agree with your spirit, and your spirit must agree with God's Word. Faith operates only when your mouth, your spirit and God's Word are all in line.

*For with the heart one believes unto righteousness, and with the mouth confession is made unto salvation (Romans 10:10)*

Can you see how your heart – the essence of your being – carries the conviction of faith, and how your mouth then lines up with this inner conviction?

This is how every true confession operates – from the beginning to the end of salvation. This vital principle applies to every promise of God.

You simply cannot keep God's living faith locked up inside you. If you truly believe something, if you are really full of it, you should be bursting to declare it! Remember, Jesus taught you that your mouth is the overflow of your heart.

*For out of the abundance of the heart, the mouth speaks. (Matthew 12:34)*

*In our prayer life this autumn make sure that you declare the promises and truths of God from the heart. It will turbo charge your prayer life!*

*"Jesus said to them '...if you have faith as a mustard seed, you will say to this mountain, "move from here to there," and it will move; and nothing will be impossible for you'"*

**Matthew 17:20**

Declare from the heart each day before prayer:

***Father God, I come before you and take my place upon the high walls of intercession over this city.***

***As your watchman, I stand at my post and acknowledge that I am called, anointed and stationed by you, for unless the Lord watches over the city the watchmen stand guard in vain.***

***I confess that I am crucified with Christ and submit completely to my Father's will. I am born of the Holy Spirit, led by the Holy Spirit and am filled with his presence and power. I walk in the Spirit and surrender to his full control, dying to my thoughts, feelings and intentions.***

***I declare that I am awake, alert and fully attentive to the voice of God. My eyes are open and anointed to see and my ears to hear. I am self-controlled, vigilant and faithful in intercession.***

***I watch and pray in the Spirit with all kinds of prayers, petitions and supplications which I offer with thanksgiving. For you are able to do far above all that I ask or imagine, according to your power at work in me. I lift my voice to you and for Zion's sake I will not be silent. I cry to you night and day until you come and make her a praise in all the earth.***

***The Lord Jesus Christ has given me power over the enemy. And so, I take authority over and tread down completely every serpent, every scorpion and every wicked device of Satan. Nothing shall by any means harm me. I can do all things through Christ who strengthens me. No weapon formed against me shall prevail.***

***Amen!***

## THE GIANTS OF INFLUENCE

Jesus told his church to be salt and light in the world. That is, to penetrate society with the healthy influence of our salt-like presence, and to illuminate society's thinking with the light of gospel values. The cell groups are part of the 'go and show' thrust of the church. Traditional church has a 'come and hear' emphasis and largely holds its activities within the sanctity of its buildings. Cells have the capacity to penetrate every part of society and to exercise influence for Christ in the heart of the agora, or marketplace of today.

We equip our members to 'take the giants' for God. The giants of our society are the great institutions and professions which exercise the most influence over our lives. We hold regular giants forums in which cell members from each of the major professional or occupational groupings can get together to encourage one another and to find ways of influencing their environment. That way we are facilitating cells in every major profession and section in society. We group the giants in the following way:

### *Pray for the Giants of Influence:*

1. Business and Finance
2. Ecology and Environment
3. Education and Training
4. Law and Order
5. Marriage and Family
6. Media and Arts
7. Medicine and Health
8. Politics and Government
9. Religion and Belief
10. Science and Technology
11. Sport and Leisure
12. Thought and Philosophy

### *Prayer fuel*

Our monthly prayer diary will cover these Giants of Influence, but we must also identify which of these we are called to and have an interest in and take prayerful action. Watch out for opportunities in our forums to get involved!

Also these giants are appearing in the news every day. Identify them and seek to pray the will of God into whatever situation is being broadcast.

## I HEARD THE CRY OF A LOST LONDON!

### *Colin Dye shares a special personal experience.*

Although it happened some time ago I will never forget it. It was a revelation which changed me forever. Quite simply I heard the cry of the lost. At that time I was especially deeply troubled by the state of our own city London. I was heavily burdened for the lost who have no hope, no joy, no peace.

When I travelled on the tube, I could see their burdens etched on their faces – their loneliness and fears, their disappointments and hurts. And they didn't know half their problems, for their condition was worse than they imagined. Not only were they lost in life, they were lost forever unless they were saved by faith in Christ.

### *Where is hope?*

I was alone with the Lord, under this burden, when I heard the cry of the lost in my spirit! I felt their despair and sensed their hopelessness. They were crying, 'Where is the hope? Who can help us?' I shall never forget the sound of that cry. But even that's not all. Can you imagine the sound of the cry of the eternally lost? Maybe the cry of the utterly hopeless at the final judgement seems too awful to contemplate – but it's desperately real. The people around you are rally heading for hell – unless they repent and believe.

Yet how can they turn to God if they don't hear his message? Faith comes from hearing the good news, and you possess that news. How can you keep it to yourself?

### *Pray and witness!*

Praying for the lost and then reaching out to them with gospel words and a gospel lifestyle saves souls. We can't let the harvest fields of London rot – they are ready for harvest!

### *Prayer fuel*

***"In their case the god of this world has blinded the minds of the unbelievers, to keep them from seeing the light of the gospel of the glory of Christ, who is the image of God"*** (2 Corinthians 4:4). Spiritual blindness is dealt through spiritual warfare, intercession and proclaiming the gospel.

***"Jesus told them, "The harvest is plentiful, but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field"*** (Matthew 9:37-38). Pray for the mobilisation of KT members to become active witnesses.

# THE EVANGELISM OF 3

*Unless we keep evangelism as our primary purpose, the cell groups easily slip into the comfort of Christian fellowship meetings.*

That is why we centre all cell group activity on what we call *the Evangelism of 3*. Prayer triplets are not new, but they are an effective way of involving every single cell member to win people to Christ.

We begin by asking cell members to make a list of 10 people whom they know, meet regularly and can invite to the cell meetings. Then we focus on 3 people the Holy Spirit shows us on each of these lists. Joining with 2 or 3 other people we begin to pray daily for those on our shortlists. Regular cell meetings will include time for prayer and strategic planning, in order to win these precious people for Christ. The cells then organise their meetings and activities around the goal of reaching their friends with the gospel.

*Write down up to ten names of people you are in regular contact with in London that don't know Christ and pray for their salvation each day.*

## 10 NAMES

1	<input type="text"/>	6	<input type="text"/>
2	<input type="text"/>	7	<input type="text"/>
3	<input type="text"/>	8	<input type="text"/>
4	<input type="text"/>	9	<input type="text"/>
5	<input type="text"/>	10	<input type="text"/>

If you don't have a full ten ask God to show you new people to befriend. Each month ask the Holy Spirit which three people you should specially reach out to that month and write their names down. Your cell leader will help you in this.

## PEOPLE WITH A PASSION!

*"The glory of this latter house shall be greater than of the former, says the LORD of hosts: and in this place will I give peace, says the LORD of hosts." Haggai 2:9*

*"For Kensington Temple to reach its destiny with God it must become the greatest disciple making church in London."  
Canon James Wong*

*"I saw people coming through the doors of KT and written on their forehead was 'HEARERS OF THE WORD'; then I saw the same people leaving the church through the identical doors but now written on their foreheads was 'DOERS OF THE WORD'!"  
A KT elder in the 1980s.*

You have just read three foundational prophecies and promises regarding our ministry here at Kensington Temple. The Bible teaches us to take the prophetic promises of God and wage warfare with them by prayer and action. This autumn and winter we are to meditate on the above words and pray them through like never before.

The apostolic pattern for our present and future is found in our Senior Ministers book *People with a Passion*. It shows us the type of passionate people God has planned to arise in KT so that we can handle the glory, that glory of God that he so desperately wants us to carry in this city. The book also shows us how to be doers of the Word – making, mobilising and maturing disciples in this great city of London.

*A people with a passion can only sustain the fire of the Holy Spirit through the fuel of God's Word, prayer and fellowship.*

You can get *People with a Passion* from the KT bookshop or as a Kindle book from [amazon.co.uk](http://amazon.co.uk).

### Prayer fuel

Pray for Colin and Amanda Dye, for the blessing and wisdom of God to lead us forward.

Pray for the Associate Minister Bruce Atkinson and all the leaders in KT and our London City Churches; that God would protect, bless and make them fruitful as they humbly serve the Lord and one another in our great work of making disciples.

Pray for supernatural unity.

Pray for all KT members that they would step into the vision of the House and seek first the kingdom of God.

Pray for the sons and daughters of the latter house to manifest themselves. Call them from the north, south, east and west.

Pray for fruitfulness and multiplication in our cell vision along with the wisdom and humility to be able to handle it.

Pray for a fresh visitation of the Holy Spirit upon us all.

## KENSINGTON TEMPLE A VISION FOR MISSION

We have a special one month Missions Prayer diary that can be used alongside the Autumn prayer diary. But the two nations we are especially focusing on in this Diary are Romania and Algeria.

*A Vision for Mission*, the Missions Prayer Diary, is available from KT Reception or can be downloaded as a PDF from [www.kt.org](http://www.kt.org)

*"And they continued steadfastly in the apostles' doctrine and fellowship, and in breaking of bread, and in prayers."  
Acts 2: 42*

# ROMANIA

***In 2012 a new project called Constanta 2022 was launched in Romania. KT is partnering with this vision.***

KT's involvement in this vision is deeply appreciated by local leaders, who believe that KT's great experience in the area of evangelism, church planting and spiritual warfare can strengthen the church in Romania. For example after Colin's last visit to Romania, Vasilica Croitor, one of the mission leaders, reported:

*"We are seeing a new passion and desire birthed in the hearts of the leaders from our area.*

*After 45 years of communism and 23 years of a harsh transition, the churches in the South Eastern part of Romania have entered a new and refreshing season. It is a new level of strategic planning, effective praying for and boldly reaching out to the unreached areas of Constanta County.*

*A small group of 8 churches are mobilizing their resources, together with their daughter churches, to plant 44 churches in an area dominated by Greek Orthodox and Muslims.*

*As we were preparing to launch the Constanta 2022 project, our faith was put to test. We simply knew that this project was beyond the capacity of the small and young churches from Constanta County.*

*To let us know that we are not alone, on Pentecost Sunday of 2012 God gave us some strong reminders of his provision.*

*Colin's message that day was a reminder that God has in store for us rivers of living waters, and many will drink from those rivers. We celebrated the promise of God's power for harvest.*

*The second sign of God's blessing over this vision was that God led Pastor Colin Dye and Kensington Temple to be a part of the vision, which is a clear fulfilment of the prophecies that were spoken over our region. We value the experience and anointing that is being imparted to us through this partnership.*

*We used to be alone, a 'forgotten remote area of Romania' but now we look ahead with great anticipation, knowing that God is going to give us favour for each of the 44 villages. We are rejoicing today - as if this vision was already completed."*

## ***Prayer fuel***

Pray against the Islamic movements beginning to grow in the nation, especially in the city of Constanta.

Pray for the Constanta 2022 project, that strong churches would be planted.

Pray for Pastor Vasilica, his family and his leaders, that they would be granted wisdom, power, protection and multiplication.

Pray for all the social work - education, feeding and clothing that the church does - for provision and resources.

Pray for revival to break out in Constanta.

# ALGERIA

*St. Augustine's Cathedral in Anaba, one of the few remaining churches in Algeria*

*Algeria is one of the main nations on our hearts at KT, we are discreetly doing as much as we can to encourage and help Algerian believers and churches.*

Algeria has a fast-growing economy due to its vast oil and gas reserves, however much of this wealth does not reach the ordinary population. The financial structures of the country are generally weak and unemployment is high. Algeria is ranked 104th (out of 182) on the United Nations' Human Development index.

Algeria has a rich Christian heritage, with Augustine of Hippo, widely considered as one of the most important Church Fathers, living and preaching during the fourth century in the region that is modern day Annaba. Christianity was driven out of the country by Islamic invasions of the eighth century.

In recent years freedom of religion has been dwindling since legal changes in 2006 and persecution has been increasing since 2008 with Islamist group becoming ever more intolerant of other faiths. Muslim fundamentalists are strongly agitating for the institution of shari'a law.

Algeria is ranked number 29 on the World Watch List of countries where persecution of Christians is most severe.

## *A move of God!*

Despite the persecution Algeria today has over 100,000 believers which are mainly in Kablye region. The number has been growing rapidly with churches new being planted.

## *A passion to witness*

In the nation of Algeria as the Kablye are growing rapidly in faith in Christ, people got touched by the message about missions and how it challenged them to stand up for the Gospel, no matter what comes their way, whether it be religion, rejection or put into prison. With Churches meeting together in one building a KT member on mission in Algeria was speaking with one young leader about his faith. The young man said, "Since I have come to Jesus, within three years I have managed to bring 45 people to Jesus just because of my life and my witness to them."

## *Prayer fuel*

Pray for the revival amongst the Kablye people and for the new churches being planted.

Pray for open doors and favour to continue on our work with Algerian Christians.

Pray for strong, united churches to arise.

Pray for multiplication and fruitfulness in the congregations.

Pray for mighty men and women to be trained and released into the harvest field of Algeria.

Pray for the protection of believers and favour with the Algerian government.

## KENSINGTON TEMPLE DAILY PRAYER AND BIBLE READING DIARY

*“And they continued steadfastly in the apostles’ doctrine and fellowship, and in breaking of bread, and in prayer”. Acts 2: 42*

A people with a passion can only sustain the fire of the Holy Spirit through the fuel of God’s word, prayer and fellowship.

### 1) Daily Bible reading

*“But he answered and said, It is written, Man shall not live by bread alone, but by every word that is proceeding out of the mouth of God”  
Matthew 4:4*

If you don’t eat good food on a daily basis you will grow weak and ineffective in everything you do. Likewise if you don’t feed on God’s Word daily you will be spiritually weak and unable to cope not only with the call to be a disciple but even with normal everyday challenges. We have put a daily Bible reading plan in this booklet that will take you through the Bible in a year. It is one of the most popular Bible reading plans of all time devised by the great revivalist Robert Murray M’Cheyne.

Start on whatever day you first receive this booklet so that we can all read the same word together each day. If for some reason you miss a day or a few days just re-join the plan again according to the actual date, don’t try to catch up what you have missed and don’t give up - be steadfast. This is about regular Bible reading. Expect God to speak to you during your reading. Use book marks in your Bible/Bible apps for ease of daily reference.

Encourage one another in this in your cells each week.

### 2) Consistent, concentrated, effective prayer!

Colin has already explained to us how this booklet is to be used in prayer (see pages 2-3). We have put a picture of our Senior Minister on the front cover so that we remember to pray for him and all the leaders under him in KTLCC every time we pick up the booklet.

Each day before prayer say out loud the Watchman declaration on page 6. You will notice how this sets your mind for victory each day and causes your praying to be mixed with faith and expectation. The prayer diary is meant to be repeated each month right through to February 2014.

### 3) A good way to pray each day is by using the acronym ACTS

**Adoration:** Praise God for who he is, Proclaim his goodness, Pour worship upon him.

**Confession:** Remind yourself of your need for him and reliance on him. Keep short accounts with God ask him to forgive you and make sure you forgive others each day. Don’t dwell negatively on this though, get right with God and your fellow man and then move on!

**Thanksgiving:** Thank him for actual named things that he has done, and thank him for what you believe he is going to do in faith.

**Supplication:** Come to God with your needs and the needs of London and the world and pray for the daily items on the prayer diary.

*We also strongly advise you to pray in tongues for 15-20 minutes a day to build yourself up and get victory for your day!*

### Have you tried a Bible App?

**YouVersion** is a free app that has many Bible versions so you can read your Bible in a translation or language that suits you - it also includes audio so you can listen to God’s Word on your daily commute!

It even has a daily reading plan with reminders.

Most versions are free to download -you can bookmark your favourite passages and add your own notes.

**YouVersion** is available for iPhone/iPad, as well as Android, Blackberry, Windows and Kindle Fire devices.

Pray for all our members involved in medicine and healthcare (see Giants of Influence page 7). Pray that God's love and healing would flow through their words and actions. Pray for doors of sensitive gospel witnessing to be opened for them all. Pray for the end of abortion on demand and that our nation would appreciate that human life starts at conception.

People with a Passion: Using the prayer fuel on page 9 catch the burden that Colin shared about the lost in London and speak powerfully that spiritual blindness would be removed over our city so that it can see and believe the glory of the gospel. Keep praying this over your Evangelism of 3 daily (pages 10-11)

**Day 25:**

People with a Passion: Pray concerning the prophecy of Canon James Wong to KT (see page 12) Pray for the cell vision a stirring of passion amongst us to make and mature disciples.

Pray for the birth of new cells and cell churches in Kensington Temple London City Church. Encourage and pray for someone you know to take the next step in the cell vision. Pray for the growth of existing cells and churches in our network.

**Day 26:**

Pray for Colin and Amanda Dye that God would protect them, anoint them and use them to lead us into the destiny that God has for Kensington Temple. Pray for all the leaders in KTLCC.

Pray for the persecuted church in Muslim majority nations, that God would protect them and give them room to multiply with freedom to worship.

**Day 27:**

Pray especially for all your family, friends and loved ones. Ask the Holy Spirit to show you some needs that they have that you can pray into.

**Day 28:**

Pray for all Christians that are involved in the Giant of Sport (page 7). Pray for their protection against the enemy and for power to witness and testify about Jesus. Ask the Lord to raise up an army of Christians in sport who will use their gifts to glorify God to the world.

Pray for the church in Europe that God will raise up a new generation of disciples and leaders to turn the tide of apostasy and cover the continent with gospel preaching and church growth.

**Day 29:**

Pray for the lost in the city of London (see pages 8-9). Continue in your daily prayer for your Evangelism of 3 (page 10-11).

Pray for our work in Italy and amongst Italians in London, for souls to be saved and strong leaders to arise.

**Day 30:**

People with a Passion: Take the three prophecies over KTLCC on page 12, intercede using them and prophesy and declare them over Kensington Temple London City Church.

**Day 31:**

Give thanks to God for all he is doing in your life. Give thanks for every member in your cell. Give thanks for what he is about to do in you and through you in the next month.
