So Lady...

Is designed for young ladies in
Year 8 & 9.

At this impressionably age there are many issues that challenge her moral integrity , self-esteem, purity and godliness.

This program aims to 'tip the scales' by building on the teaching your daughter has received from you- through practical sessions and discussions to help her gain a clearer understanding of why she is so precious to God.

Our desire is to demonstrate how to develop her relationship with God through the Holy Spirit in order to make better life choices that will help her live her life as God intended.

You and your daughter
will be assigned a mentor
