

SOWING INTO YOUR SPIRITUAL HOME THIS SPRINGTIME

THE KT BUILDING IS IN USE SEVEN DAYS A WEEK FOR CELLS, MINISTRY, MEETINGS, TRAINING AND SUNDAY CELEBRATIONS.

The Kensington Temple building truly is a family home. Every room is used in a variety of different ways throughout the week, and our facilities team do an excellent job of keeping them clean and well maintained. But sometimes we also have to rectify issues and make periodic investments in replacing and upgrading our infrastructure.

This springtime we are in such a season and so we are appealing to you, during March, to consider making a specific 'spring gift' targeted at addressing these needs. Not all of our priorities are visible; we would like to repaint our interior, maintain our roof, replace an ageing boiler and bring in additional water supply to our toilets.

As you will see in the short finance report on pages 10 & 11, just under one-third of the church's financial resources are used to operate and maintain the buildings and equipment that facilitate the ministry of

Kensington Temple. This means that over two-thirds of everything you give towards KT's general funds is spent supporting and enabling wider ministry activities. This is both locally and further afield, including those of the Elim movement and various ministries that KT partners with.

There are two ways to give your gift:

- Use the special light blue envelopes available at KT Reception
- Go to kt.org/secure/giving and choose the 'Spring gift' option.

Don't forget to look out for progress updates online and in *Revival Times*.

Please know that as you sow this specific donation to the house of the Lord he will be faithful to provide for the needs of your household. Thank you!

Repairs to the roof will stop water from damaging the interior of the KT building.
