# WORSHIP THE TRUE KING

**I**n the Gospel record, Herod, a self-proclaimed Messiah and King of the Jews is confronted by the true King and Messiah. His drastic and murderous attempt to eradicate the baby Jesus reveals the battle in our own hearts as we are confronted by the Kingdom of God.

We are all familiar with political power struggles. They happen all over the world, no matter what the system of government - democracy or dictatorship. But the biggest battle is between the kingdoms of this world and the kingdom of God.

King Herod saw the birth of Jesus as an existential threat to his power and position, and he simply had to try to eradicate that threat. He had the very best of this world - money, power, position and prestige. He got it by proclaiming himself the King of the Jews. He was claiming to be Messiah. But his kingdom was an ugly kingdom, played out on a sordid political stage. Closer to home, his reaction is an extreme example of the battle that goes on in all our hearts, daily.

As fallen human beings, our hearts clash with the heart of God and we sometimes fight tooth and nail to preserve our kingdom - the kingdom of Self. But we also know the sweet

surrender when we embrace God's kingdom. We discover that it is not dreadful and forbidding, but enriching and uplifting. That is why we can speak of the Good News of the Kingdom.

There are (ultimately) only two kingdoms - the kingdom of God and kingdom of Self. Through Christ, we have been delivered from our own selfish, self-destructive kingdom and have been transferred into the other kingdom - God's kingdom of light, of love, of hope, of freedom and of peace.

That's why we celebrate the coming of Jesus into the world this holiday season and every other day of our lives. We choose to bow down and worship Jesus as our true Lord and Messiah.

# FAMILY SALVATION THE BEST CHRISTMAS GIFT

*Believe on the Lord Jesus Christ and you will be saved, you and your household.*  
**Acts 16:31**

**G**od's Word tells us that he wants to save every single member of your family, and that His will and purpose is to save them all.

This means that you can pray in faith when you pray for the different members of your family – especially when you intercede for your unsaved loved ones.

However, don't just pray endlessly for your loved ones to be saved, God doesn't need any persuading! Pray also that:

- You will know when to speak and when to be silent
- You will be equipped to answer their questions
- You will know what to do to help them believe
- Your life won't cause them to stumble
- You'll be filled with Christ's patience and love.

It is also true that our loved ones are often more likely to listen to someone outside the family than to us. So pray also for the believers who naturally come into contact with them day by day throughout the year.

## WEEKLY CYCLE OF PRAYER FOR DECEMBER:

### MATURE MULTIPLY MOBILISE

#### MONDAY OUTREACH

Pray for our KT Christmas programme and cell outreach to be effective in bringing many to Christ this Christmas.

#### TUESDAY PERSECUTED CHURCH

Pray for all the persecuted Christians in the Middle East and North Africa that the God who is Immanuel will be very close to them this Christmas, bringing fresh hope, strength and miraculous interventions.

### **WEDNESDAY FAMILIES TOGETHER**

Pray for all families this Christmas, that Jesus the Prince of Peace will reign in households where people gather. Pray especially for all of those whose relationships are under pressure.

### **THURSDAY THE LOST**

Pray that Jesus will reveal himself to those who go into the Christmas season without knowing the One we celebrate. We pray that KTLCC members will be bold in explaining the true power of the Christmas story.

### **FRIDAY FAMILIES APART**

Pray for those who are not able to gather with their families this year. That the Lord presence himself strongly and bring comfort to+ those struggling with the separation.

### **SATURDAY THE NATION**

Pray for all involved in delivering BREXIT, may the Lord give them wisdom. We pray for the Lord's guidance as the new arrangements come into action.

### **SUNDAY SERVICES**

Pray for the Holy Spirit to release his gifts and his fruit in our ministry in increasingly powerful measures.

## WE INVITE YOU TO SHARE OUR VISION.

Kensington Temple  
is part of the Elim Pentecostal  
movement which was  
founded by George Jeffreys  
100 years ago in 1915. We  
are an international church  
welcoming people of all races  
and nations.

We are growing a network  
of churches, cell groups,  
fellowships and ministries  
serving Jesus across Greater  
London and reaching out to  
the nations of the world.

We are confident that the  
gospel of Christ is the only  
hope for a world suffering  
without Christ.

We are followers of Christ  
who want to grow as  
individuals and in community  
to become like him.

We raise disciples of Christ  
who demonstrate his love  
in their home, community,  
workplace or place of study.

We are a cell-based church  
which prepares you for  
ministry in the market place.

We see every Christian as a  
servant of God and minister  
of Jesus Christ.

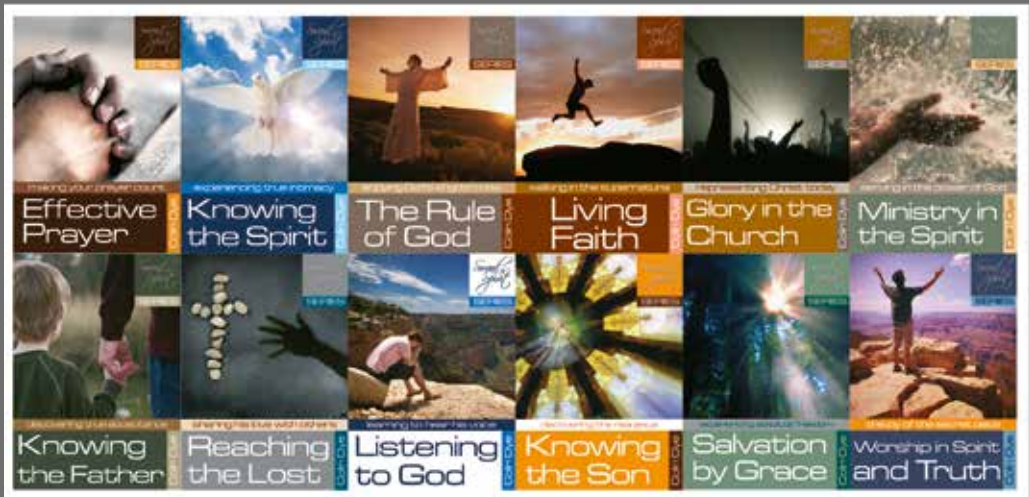

We understand that believing  
and belonging go hand in  
hand – we believe in order  
to belong and we belong in  
order to believe.

# THANK YOU

Our KT Food Hub has been a vital resource for many since we opened in March. KT members and friends have been incredibly generous in bringing donations of non-perishable food for those in need.

Our Thanksgiving Service in November (pictured left) featured gifts received on that day, which are only a fraction of the total.

We would like to say a big thank you for supporting this important ministry.

*We are taking donations throughout Christmas. Please bring them to KT between 10am and 4pm up to Christmas Eve and Tuesday 29 - Thursday 31 December, or when you come to a service.*

# CONGRATULATIONS

Many congratulations to Claudeth Hitchman who was ordained into the Elim ministry at the special online ordination service on Saturday 28 November.

**H**i, my name is Tamina and I'm 11 years old. This month I took part in the Christmas play at KT.

I found the experience very enjoyable because I was able to work together with five other people my age to create something wonderful that will be in the All Age Service.

We played the part of animals and added character to each one. For example, the Donkey was posh, the Ox was inquisitive, the Camel was smart, the Chicken was funny and the Sheep was talkative.

I had a fear of messing up my lines and so did the others, but we overcame it by rehearsing and through prayer, and telling ourselves that it wasn't a script but a conversation and an opportunity God was giving

us to make people smile. Regardless of the amount of time we had, we were committed to practicing on zoom. We spent time together and gradually were able to rehearse without the script, this enabled us to learn each other's lines too. It reminded me what it means to be a Christian, walking with God and the positive influence you can have on people who both know and don't know him. I think that the performance was great and taking part in it will be a memory that I will always treasure.

*See Tamina and the team at the All Age Service on Sunday 20th at 2.30pm.*

# THE LORD IS BY MY SIDE

**M**y name is Kedest and throughout my secondary school experience my confidence hasn't been the greatest. Whenever there was a new kid or just someone that I didn't really talk to, I wouldn't approach them unless they said 'hi' to me first. I wouldn't make that first move of getting to know a person.

It's similar with school, I would know the answer but I wouldn't put my hand up even though I was sure it was right. Especially with English Lit, I've always been in the second set for English, and in year 10 I got moved up to the top and I was thinking that they all must be really smart. I thought there was only one correct answer and everything else would be wrong so I wouldn't even

bother trying to convince myself that maybe I was right.

I searched on Google and tried looking for some Bible verses about confidence and found Proverbs 3:26, "for the LORD will be at your side and will keep your foot from being snared". It taught me that I shouldn't be scared of anything.

At the end of each term we receive a letter about people who has been in the top 10%, and for the first time I got it! I was quite shocked and even thought that it had been given to the wrong person! But I realised that my praying did work and people could see that.

I have become confident with what I now know, and with who I speak with. And I'm just grateful!
